The proverb "Where there is a will there is a way" means that the only thing you need to succeed is a strong desire to do it. In other words, if you are passionate enough about what you are doing or planning to do, you will definitely find a way to succeed. The word "will" in this proverb means that you have to be patient and stubborn to overcome the difficulties that you may encounter on the way to your goal.

Today I read ^{the} interesting proverbs
"Where there is a Will there is a Way".
[I think if you want to do something ~~very~~ ^{really} and it's
really hard, you need to use all your experience
and power to do it. I think this adverb is ~~very~~
easy for understanding how you can be hardworking. If
you won't do ~~it~~ something to the end or ^{you'll} be lazy,
you'll never have the result you need. I also have
stories when I use my will. I ~~am~~ play ~~a~~ volleyball ^{for} 3 years
and I went to a lot of competitions. Sometimes I can't
play, but I try to don't be tired and it's
really nice thing. ~~You~~ I try to think that I have a
lot of energy and power yet. So I can play and
do something more time. ~~I~~ Sometimes I'm really go
in courage and do a lot of without worrying about
my health, energy and power. Sometimes it's bad
for me. If you want to do ~~a~~ something, think
that your Will can kill your health. Health is the
main thing in our life.

I really think that strong people ~~to~~ need to have
a will and strong mind, but sometimes we need
to think: "Will this thing ^{will} be good for my health"?
